

MEDITERRANEAN CHICKEN ROLLATINI

2 chicken breasts, butterflied and pounded
2 slices bacon
8-10 basil leaves
thin slices of zucchini
Kalamata olives, thinly sliced
Feta cheese, crumbled

Look at the photo below and copy it!! Then roll it up and bake at 400 for about 30-40 minutes.

You may want some sort of creamy sauce or gravy with this. I made a gravy of chicken broth, a little flour, butter, bacon and sage. Mmmm!
